

Supported browsers for the ExtraHop Web UI

Published: 2020-02-24

The following browsers are compatible with all ExtraHop appliances. You must allow cookies and ensure that Adobe Flash Player is installed and enabled. Visit the Adobe website to confirm that Flash Player is installed and up-to-date.

- Firefox
- Google Chrome
- Internet Explorer 11
- Safari

 **Important:** Internet Explorer 11 will be deprecated soon and Microsoft Edge will be supported.
