

Load and manage a saved activity map

Published: 2024-04-01

You can view, update, or delete saved activity maps. First, you must first create a new map to access a list of saved and shared maps.

- 1. Log in to the ExtraHop system through https://<extrahop-hostname-or-IP-address>.
- 2. Create an activity map ☑, and then click the Open icon ▷ in the upper right corner of the page.
- 3. Choose one of the following activity map options:
 - To load a map, click the map name. If you want to modify and then re-save the map, make your changes and then click the **Save** icon.
 - Tip: You can also modify the properties for a saved map by clicking the command menu and then clicking Map Properties.
 - To delete a map, click **Delete** next to the map name.
 - Note: Users must have privileges to view or interact with activity maps. See User privileges It in the ExtraHop Administrators Guide.
